

# FIND 52: PASS THE BATON IS COMING TO OUR SCHOOL.

On the last week of school in St. Lucia, thousands of students, parents and teachers are running in a 198 km relay.

They're raising funds to create school libraries because just like you they know the difference having books can make.

Will you step up and help them cross the finish line? Toss your Toonie into the Really Big Shoe and add your name to our school pledge sheet.

Don't forget your Toonie!

**We'll be Tossing  
a Toonie for  
Literacy on...**
